TRANSPORTED SEMEN BREEDING CONTRACT

I, _____ (mare owner), hereby confirm my reservation for the mare named _____, to be bred to the stallion, Harvest Moon during the 2011 breeding season, and agree with the stallion's owner, Naomi Williams as follows:

1. The current year's stud fee is \$800 (Canadian, HST included). A booking fee of \$200 must accompany this contract. The booking fee is non refundable. The balance is due prior to transporting the semen. Check below if discount applies;
 Pay booking fee at Carsons Horse Auction Mar 20/11 (or up to Mar 26/11 by mail), deduct \$100
 Refer a friend to Harvest Moon who confirms a booking, deduct \$100
 Multiple mare discount, deduct \$100 for the second mare, \$200 from the third mare, etc.
2. The collection fee for transported semen is \$100 per collection due prior to any semen being shipped. The first collection is included in the stud fee.
3. The mare owner is responsible for all costs involved in shipping the equitainer to the mare and back to the stud farm.
4. It is recommended that the mare owner has a veterinarian confirm that the mare is in sound breeding condition and free of infectious diseases prior to transporting the semen.
5. A licensed veterinarian must inseminate the mare. Any extra semen not used in breeding the said mare must be destroyed. Under no condition may left over semen be inseminated into any other mares other than the one named in this contract.
6. A live foal defined in this contract as one that stands and nurses, other than through negligence of the mare owner. In the case of a stillborn or one who is unable to stand and nurse, the stud farm must be notified within 48 hours with a letter from the veterinarian. If the mare fails to become pregnant or produce a live foal, the stallion owner will be committed to rebreed the same mare or a substitute acceptable to the stallion owner for the subsequent season only. If after the second breeding season the mare fails to become pregnant or produce a live foal, the stallion owner will have no other liability or obligation to the mare owner.

7. The mare owner will have an ultrasound performed by a licensed veterinarian 18 days after breeding to determine her pregnancy status. The result of such test will be forwarded promptly to the stallion owner.
8. Should the stallion die, become unfit for service, or be sold, to fulfill this contract, the mare owner will be refunded the stud fee less the booking fee.
9. The mare owner acknowledges having had an opportunity to examine the stallion and his pedigree and relies upon their own investigations in selecting the stallion to be bred to the mare.
10. The stallion's name cannot be numerically sequenced. (i.e. Harvest Moon II)
11. The mare owner will notify the stallion owner on the first day of her heat cycle to reserve a collection. Semen orders must be called in by 6 p.m. the day before collection is required. Advanced notice will have priority.
12. THIS IS YOUR IMPORTANT CHECK LIST, ALL MUST BE IN ORDER.
 - Stud fee and collection fee must be paid in full prior to any semen shipped. Please make cheques payable to Naomi Williams.
 - A photocopy of the mare's registration papers to be provided.
